About Us

Pioneer in the field of world-class bath-fittings for the last three decades, we have involved ourselves in realizing the dreams of our customers. Being an **ISO:9001-2008** company, we are offering elegant and innovative products following the norms of **DIN** standard (**German**) workmanship to achieve customer-satisfaction. In the cut-throat competitive market, we have been class-apart remaining uncompromising on quality. We have always adopted world class parameters using high-class material like Brass (60/40), SS-304 (18/8), Engineering Polymer ABS, Acetyl-Acetate, Nylon, PUMMA, Fiber Glass, food-grade silicon (anti-allergic and eco-friendly) with anti-microbial treatment (anti-fungus quality). We maintain Electro-plating Nickle-Chromium coated surface 18-20 micron, conduct salt spray test, thickness layer testing on each batch as per product requirement, under one roof. We have created milestones by producing extensive range of bathing solutions varying from Bathroom Fittings & Accessories, General Showers to Multi-flow high-profile Shower panels, Multi Function Bath Tubs, Sauna & Steam Bath. De-calcifier, Insect-Restrictor, Gratings, Auxiliary Items, etc. Our R&D Wing includes value added engineering through professionals of doctorate level developing state-of-the-art products with far-sighted vision catering to the diverse needs of customers worldwide with varying life-styles. Let's venture into the world of realizing dreams....
